Helping Disabled Orphans in Need

Sad to say goodbye...

We are so thankful for the Strauss and Lee Family for their season at the Mission

These two families have been such an asset to the Mission Family and they will be sadly missed. Their

gifts and talents leave the Mission a better place. Please pray for them (and their kids) as they move on to serve the Lord in new places and new ministries.

HAPPY BIRTHDAY!

JENA...

KIKI...

PONCH...

Our Margarita...

A 9 year old orphan girl who arrived at the Mission back in 1989 has moved on as a grown woman! We are so proud of her!

Many have come to know and love this dear girl. Margarita was welcomed to the Mission some 27 years ago! By the time she was 18, she had become part of the Mission family. Margarita stayed and became a staff member, serving her Mission sisters and brothers, helping in the kitchen, and was a vital part of the Mission family. Recently Margarita moved to Ensenada with the Mission Doctor, Doctor Gabby. She is working and attending school. We are so proud of her and the strides she has made, growing in life and with Jesus!

Upcoming Birthdays

- Ema- Feb.7th
- Angel- Feb. 24th
- Ana- March 1st
- Juan- March 8th
- Mari- March 13th
- Sela- March 18th

See website for Wish List!

1

FINANCIAL SUPPORT

We have enough to last this month! We need \$15,000.00 per month. Please pray about donating \$30 a month, just a dollar a day...

2

MISSION STAFF

Please spread the word, we need staff. Singles (18+) and married... Pray about spending a season at the Mission loving these kids!

3

ONE27 AMBASSADORS

Help us, Help them! We need you! Help us raise awareness, connect us with your church, bring teams, run a diaper drive, and so much more!

PRAYER POINTS...

Christmas at The Mission

We wanted to say a special Thank You to the Applegate Family for all the gifts and love you showered on these awesome kids!!!

As with any kid, Christmas is their favorite time of the year! Is all the "big girls" talk about is Jesus' Birthday!

These kids show us what gratefulness looks like. Whether it is a pair of socks, a coloring book or a baby doll, their appreciation is all the same. Thank you, for the amount of joy you put in their hearts by your generous donations!! Some of the girls even say things like "it's Jesus' birthday and I am getting the gifts". They marvel at the goodness of God through all the amazing items they are blessed

with! Even for some who lack in their ability to fully understand the concept of Christmas, they have such joy in their eyes as they are shown the colorful new things that come out of each present. This is the time when we stock up on new items that we use for our kids through out the year. We are so thankful for those of you who set some time aside, who sacrificed time away from your own families, and came to Mexico to spend Christmas with our Mission kids! The extra help and smiles brought such a relief to the Mission staff who serve these kids year round. Please consider joining us next Christmas and getting your church involved, the more the Merrier!

Welcome to La Misión!

Here is one of the upgrades the government wanted us to do! We now have a new sign and gate! The purpose for the sign is to show who and what we are, who our doctor is, hours of operation, and how to contact the Mission. We think it looks pretty great! This just shows that not all that the officials are seeking for us to do is bad or over the top... The Mission had a gate years ago, and this was an upgrade that was long over due!

Great job Ian!

Praise Report!!!

Thanks to Doctor Gaby, Kiki is on a new medication and is doing great! She is hardly ever having seizures, her attitude is better, and she is eating with out any issues. Kiki is back to her happy cheeky self!

Mommy-Hood @TheMission

Shelby gave birth to precious Abel Sawyer two months ago! He is growing so fast.

The delivery came a little sooner than expected. Off to the hospital for a check up, Shelby got the surprise of a lifetime... “We need to deliver him today”. This woman is a trooper, delivering in Mexico, and back to the

Mission a few days later! This little man is learning at an early age, that this is what it looks like to serve Jesus on the mission field. This amazing couple just keep going and keep serving with Abel in sling! Welcome to the world and to the Mission Family Abel! You truly are a gift, just like your parents.

Jordan Lee also gave birth to a sweet baby boy , Matthias! Congratulations Lee Family!

New Wheel Chairs...

We are in need of custom wheel chairs for both Sela and Eddie. Both of these kids have very weak muscle tone, and need a lot of support. The chairs that they have work, but we are praying for someone who might be able to donate better chairs for them. The other option is to find someone who can custom make them for us at a fraction of the cost. Please get in touch with us if you can help us with this need.

STAFF... We are in desperate need of staff! With two families moving on and a shortage in single staff this is a great need. Being on staff has always proven to be an unforgettable season in a persons life. If you or someone you know would benefit from an experience like this please connect with us! There is nothing more amazing then pouring our lives out for the sake of others and being blessed in return!

ONE Dollar a day = \$30 A MONTH

Consider the impact...

The goal is simple, \$30 a month...

If every person who loves these awesome kids did this... the money would be above and beyond what we need. We can give these kids so much more than a roof over their heads, clothes, and food! How about a therapy center, better wheel chairs, splints for their legs so they can walk better, needed surgeries... The possibilities are endless! Please consider what your gift can do for these incredible kids!
